

Cinco de Mayo Maracas!

MATERIALS NEEDED

- 2 Foam Cups
- Popsicle stick
- Beans
- Hot Glue Gun (or tape)
- Paint
- Paintbrushes
- Paper Plate

ESTIMATED TIME: 10-20 mins

STEPS

1. Fill one of the foam cups with beans. (You can use rice or beads as a substitute.)
2. Using a hot glue gun, place hot glue around the rim of the foam cup, then place the rim of the other foam cup on top. (If you don't have a hot glue gun, use tape to tape them together.)
3. Once the glue dries, stick a popsicle stick halfway into the top.
4. Use the hot glue gun to glue around the base of the popsicle stick.
5. Fill a disposable cup with water and dip your paintbrushes in them. Then dry them on a napkin. Put the paint you want to use on a paper plate.
6. Dip your paint brushes into the paint and brush over the cup.
7. Now give your maracas a shake!
